President's Message...

We have a published author among us! "Graduated Driver Licensing" by our own Lloyd I. Sandbulte, CPCU, appeared in the Winter 1999 issue of CPCU Journal. His article arose out of one of our Chapter's research projects, completed under Lloyd's direction.

The project garnered a research excellence award at the 1998 CPCU Annual Meeting in San Diego.

This is not the first time Lloyd has spearheaded publication of one of our

research projects. In the summer of 1997, "Insurance Service Centers" was published in the CPCU Journal. Later in September of 1998 "Spinning A Web For Your Chapter" appeared, attesting to our leadership in the development of a Chapter website. A big round of applause to Lloyd and his committee for putting Iowa on the map as a locale of research excellence.

Lloyd is heading up another research project. Since our current theme is "CPCU 2000 - A Time To Lead!" Lloyd and his committee, through inter-

views and surveys, are researching how leadership has shaped the insurance industry and will shape it in the future. We need people to do interviews, among other things. If you would like to help out on our research project, please contact Lloyd at 225-5678.

Self-Studiers...

Anyone who is self-studying ARM 56, AIT 131, or IR 201 and wants a soul-mate should contact Ted Lussem at 243-4289 for a lead on others doing the same thing.

**CPCU designee
