

CPCU Annual Golf Outing

June 12, 2003

Legacy Golf Club

Benefit for

Farm Safety 4 Just Kids

For the fourth year, proceeds from the annual golf outing will be donated to Farm Safety 4 Just Kids, in conjunction with the efforts of our CPCU Good Works committee. Farm Safety 4 Just Kids is a very special program that seeks to prevent farm related childhood injuries and fatalities, by providing education about the importance of farm safety.

The golf outing will be a **Best Ball** tournament, and is open to CPCUs, those testing for CPCU as well as other insurance professionals. **Shotgun start** will be at 1:00. So, plan to be at the golf course no later than 12:30 in order to be ready to start at 1:00.

Here's an opportunity to show your support for a good cause and have a great time. Whether you're an accomplished golf pro or have never hit a golf ball before, we're looking for everyone to get involved. Build your own foursome or we can build one for you. We are looking to have 100+ golfers for this great event.

Companies can sponsor a hole or a special event, such as closest to the pin. We'd also appreciate donations of any company golf prizes that can be used for door prizes.

To register for golf, and/or to sponsor a hole, contact Jeff Jeffus at 471-3879, or e-mail him at alton.jeffus@hawkeyeyesecurity-ins.com. Please register by June 4. Your \$55 fee includes green fees for 18 holes, 1/2 a cart, GPS capability on every cart, range balls prior to start and GPS scoring with on-course leaderboard updates.

Please note there is a separate registration for the June 12 CPCU dinner (\$18.00) for those only attending the dinner. These reservations go to Jeff Baker at LaMair Mulock Condon.

Enjoy a round of golf with your friends at this new course equipped with GPS on every cart.
