MESSAGE FROM THE PRESIDENT . . .

Jeff Baker

Thanks to all who participated in and attended I-Day on November 10th at Embassy Suites here in Des Moines. One hundred forty people attended the event. The chapter also had many favorable comments on the visibility of the Des

Moines Register ad honoring the chapter new designees. This ad is made possible by insurance industry donations from the agencies and companies that receive recognition in the ad. Many thanks go out to these sponsors. They generate visibility for the chapter and the CPCU designation in the community. Also, thanks to Bob Conroy for coordinating the assembly and printing of the chapter directories which were available at I-Day.

December's monthly lunch meeting will be held at the Temple For the Performing Arts in downtown Des Moines on Thursday December 8th. We will feature the director of the Vaughan Institute of Insurance at the University of Iowa Larry Hershberger. Lunch is at 11:30 and the speaker to follow. We will have a drawing for some nice prizes, so sign up soon.

Plan now to attend a CPCU national workshop on Tuesday January 24th at Farm Bureau in West Des Moines. Two workshops will be offered. The morning session has the topic "Insuring the E-Commerce account", and the afternoon session is entitled "2004 Commercial General Liability". The speaker is Bryan Tilden who is a national lecturer and expert witness. He also has his own consulting firm Tilden and Associates. The workshop is worth 4 CE credits in Iowa and is in addition to our normal monthly meeting. You should be receiving more information on this workshop shortly.

Happy Holidays to all. Enjoy time with your families.

The light displays are located in Water Works Park and have been a family favorite ever since their inception in 1996. Every year this event gets bigger and better.

New Designee Dinner in Atlanta

Your Iowa Chapter of CPCU sponsored a dinner honoring our new designees during the National CPCU Convention in Atlanta, Georgia. A restaurant called Max Lager's served as the setting for this occasion. Judy Brannon, National Governor and Iowa Chapter past president, and Kevin Seward, current Iowa Chapter Secretary attended the event. If you see any of our new designees, be sure to congratulate them on a job well done.

Increasing the Visibility of the CPCU Designation

We recently received a letter from the CPCU Society National Governor for the North Central Region. The following is an excerpt from his letter:

Just wanted to let you know how impressed I was when I saw the full page ad on page 10D of the Monday, November 7 edition of The Des Moines Register. I was traveling that day to an I-Day/local conferment event for the Omaha chapter. I stopped for lunch on the west side of Des Moines and happened to notice a copy of the local newspaper near my table. As I began reading the Business & Career section, the Congratulations to the 2005 CPCU Designees page kind of jumped out at me!

It appears you had a lot of contributors for the ad (and I-Day). I took that section of the paper with me and proudly showed it to 2 of the chapters I'm assigned to be the liaison - they were equally impressed! Great job on promoting the visibility of the CPCU designation.
