We were privileged to have Scott Raecker, Executive Director of the Institute for Character Development, as our speaker for Ethics Day. Scott and his staff taught us about the six pillars of character, and seven steps to making better decisions. We were challenged to think and analyze ethical dilemmas we face in our everyday lives. We explored strategies for making ethical decisions and were introduced to an ethics-based decision-making model. Scott and his staff provided us with a wealth of information and tools we can put to good use. This was truly one of the best ethics programs I have attended.

Our annual business meeting will be held on April 17 at the Hotel Fort Des Moines. During this meeting, we will elect our chapter officers for the 2008-2009 chapter year. We will also hear from the Chapter Treasurer on the financial report for our chapter. The speakers for this meeting will be Katie Roland, Human Resources Specialist and Mekenze Bishop, Senior Recruiter both with Nationwide Insurance. Katie and Mekenze will be talking about how to write an effective resume in the ever changing world of online recruiting.

In conjunction with our April meeting, we are holding a food drive to support the Food Bank of Iowa. Please bring a non-perishable food item to the meeting to help support our good works efforts in the community. If you don't have time to pick up something, we will also accept financial contributions. The holiday season reminds everyone to help those less fortunate through contributions to charities. After the holidays, inventory of food items generally drops off as people forget about the ongoing need for food items. Please help us reach out to our local community by contributing to this good works project.

Would you like to become more involved in the CPCU Society, but don't feel you have the time to serve on the board or a committee? I have the perfect solution—become a CPCU Champion! A Champion is a member who facilitates communication between their employer and the CPCU Society. These members “champion” the cause of the Society and the CPCU designation throughout their company. CPCU Champions gain visibility and status within their organization and with Society leaders. Many champions report they spend less than one hour each month on champion responsibilities. For more information on becoming a CPCU champion, visit <http://www.cpcusociety.org/page/76559/> . Please contact me if you would like to become a champion for your company.

Happy anniversary cpcu-iowa.org! It was 10 years ago this month we started our Chapter website! It began with a few pages, but has grown into a virtual library of history, education, events, and links to a wide variety of information. Past Chapter President and Web Master, Bob Conroy, does an excellent job of updating and maintaining the website. Also a part of Bob's web team are Nancy Green, Ted Lussem, and Jim Bowers. Congratulations to Bob and the Web Team for providing us with such an important resource of information for the past 10 years!

Warm weather will arrive soon (I hope), and with it will come our annual golf outing. Again this year, proceeds from the golf outing will benefit Blank Children's Hospital's Fire Safety House. The golf outing will be held on June 5 at the Copper Creek Golf Course in Pleasant Hill. Additional information will follow in our May ChapterGram, but I wanted to give you advance notice so you can mark your calendar and plan to attend.

I look forward to seeing you at one of our upcoming meetings or events.

Kevin M. Seward, CPCU, CSRP
