Holiday Greetings from the Iowa Chapter! Congratulations to the New Designees who were conferred and honored at our I-Day event on November 12, 2009. We were honored to hear from Marsha K. Ternus, Chief Justice of the Iowa Supreme Court; Senator Rich Olive; Susan Voss, Iowa Insurance Commissioner; Bob Skow, CEO of the IIA, and Chuck Chamness, CEO of NAMIC. The day was filled with lively and thoughtful discussion over the future of the Insurance Industry from all perspectives.

In addition, we were happy to have Jim Marks, CEO of the CPCU Society, here to conduct the conferment ceremony. Jim had been in Des Moines before to preside over the conferment in 2004.

Many thanks to the hardworking volunteers and company sponsors who made the day not only possible, but very enjoyable! The Iowa Chapter works very hard to bring you rewarding and valuable topics and speakers, making the most of your time and resources.

Please make plans to join us for a Breakfast Meeting on December 10th at 7:30am at the Machine Shed. We are looking forward to hearing from Chris Conoan, a meteorologist and storm chaser from KSWO TV in Oklahoma. We are looking forward to the giant Cinnamon Rolls also! Bring a generous food or cash donation for the Food Pantry of Iowa. They need our help more than ever this time of year!

In January we will be hosting Tony Joseph from Lloyds of London at the Holiday Inn Downtown. The New Year brings many opportunities to network with others in the industry and to enhance your own professional development. Please visit the website at www.cpcu-iowa.org often for updates and news!

In the meantime, the Iowa Chapter wishes you and your family a safe and Happy Holiday Season!

Therese M. Vaughan Receives 2009 Burkhalter Award

Dr. Terri Vaughan, CPCU was presented the Burkhalter Award from the Iowa Chapter of CPCU at I-Day held on November 12th. The award was presented to Dr. Vaughan in recognition of her distinguished career in the fields of insurance regulation and education. She is currently serving as CEO of the National Association of Insurance Commissioners.

The Burkhalter Award was established in 2007 to honor the memory of Louis D. Burkhalter, Jr. who was the first individual in Iowa to receive the CPCU designation. He was a charter member of the Iowa Chapter and the first president.

As Dr Vaughan was unable to attend this year's I-Day, Wade Sheeler (left) is shown making the presentation to her husband, Bob Carber

CPCU Food Drive

According to a USDA survey, approximately 8% of Iowa residents suffer from hunger. Of those people seeking emergency food relief, more than 1 in 3 must choose between paying their rent and buying food. In the spirit of the holiday season, please consider bringing a non-perishable food item to our December 10th Living History Farms chapter meeting and donating it for a good cause. All donated food items will be provided to the Des Moines Area Religious Council for distribution during the holiday season.

For more than 30 years, one of the main goals of the Des Moines Area Religious Council has been to meet the emergency needs of the hungry in the Des Moines metro area. Currently, the local religious council partners with nine food pantry sites around the city to provide food for those in need.

Thank you for your consideration of this opportunity!
