MESSAGE FROM THE PRESIDENT.....

If you missed our I-Day program on Tuesday, November 6, you missed a great event! Over 220 people attended, and 80 of those attendees were New Designees! We heard fascinating presentations on committed performance and pandemic influenza. We were also honored to have CPCU Society President, Jim Britt with us to conduct our conferment ceremony. I would like to extend a special thank you to Vice President, Jody Ochsner, our speakers, and all of the people who worked to help make this I-Day a big success.

It was my great pleasure at I-Day to present Bruce G. Kelley with the first Burkhalter award. The Burkhalter Award is presented at I-Day to a person who has made significant contributions to the community and the Iowa insurance industry. The Burkhalter Award is designed to recognize individuals who have influenced the Iowa property and casualty insurance industry and their community through civic involvement. Bruce is the President and CEO of EMC Insurance Companies. He is a Past President of the Iowa Chapter of CPCU Society, and he also serves on the AICPCU Board. Bruce has made significant contributions to the community, and he is most deserving of this recognition. Congratulations again to Bruce!

The holiday season is upon us, and we have a fun event planned for December. Our Chapter meeting this month will take place on Thursday, December 6 at the Heritage Art Gallery. Join us there for wine, appetizers, and an informative presentation by Tom Green on the art gallery's history, exhibits and insurance arrangements. Join your fellow CPCUs for this special holiday event!

Christmas has always been my favorite holiday of the year. I hope the spirit of the Christmas season captures your heart too! Take time to enjoy the gatherings, fellowship and festivities that are an integral part of this wonderful time of year. And remember during this season of giving to give something to help those who are less fortunate than you. Have fun, be safe, and stay well. Merry Christmas!

Kevin M. Seward, CPCU, CSRP

Chapter President

I-Day Photos

On November 6, the Iowa Chapter of the CPCU Society held the annual I-Day program and CPCU Designee Conferment Ceremony. There were over 220 people in attendance with 80 being new designees.

I-Day Presentation

The I-Day presentation on Avian Influenza and Business Continuity Planning is available for viewing on our Chapter's web site at www.cpcu-iowa.org. In addition, links to the web sites of additional resources on these topics are also available.

Burkhalter Award

The Iowa Chapter is pleased to announce that Bruce G. Kelley is the first recipient of the Burkhalter Award. The Burkhalter Award is presented at I-Day to a person who has made significant contributions to the community and the Iowa insurance industry.

In 1994 the initial steering committee of the Iowa Insurance Hall of Fame met at Drake University. The committee was represented by many insurance trade organizations as could be identified at the time.

The goal of the new organization was to recognize those industry leaders that have an Iowa connection, serve as a role model for young people as well as others in the insurance industry, exhibit the highest standards of ethical conduct and have significantly impacted the insurance industry.

Over 50 individuals have been elected and recognized during the public induction ceremony held each spring during the past 11 years.

The Iowa Chapter CPCU has been a strong supporter of the Iowa Insurance Hall of Fame since its inception and is proud to have had 11 CPCU's inducted. There are currently 5 CPCU's on the Hall's board of directors, with Jeff Jeffus serving as the liaison with the CPCU board.

The Hall of Fame board is currently asking for nominations. Please look at your company, agencies and past individuals who have impacted our industry. Nomination forms are available on the web site (www.IIHOF.org) and if you need any additional information or assistance with completion of the form, contact Jeff Jeffus at 515-223-9438 or jeff.jeffus@stateauto.com. A nomination must be received by April 1st to be considered in the current selection cycle.
