Happy New Year! Late December and early January is a time when many people reflect on accomplishments during the past year and set goals or resolutions for the coming year. Now is also a great time to renew your commitment to continuing education through participation in CPCU Society programs, and there are many great programs scheduled for the coming months. Be certain to check out our calendar of events on the chapter's website for further information.

I have a question for you. If someone offered you \$1,500, would you take it? The Iowa Chapter currently offers two \$1,500 scholarships to CPCUs or their dependents, yet few who are eligible apply for this financial assistance. New this year, we will also be opening the scholarship up to CPCUs who are pursuing a graduate degree. The scholarship applications can be found in this issue of the Chaptergram. There is also a link to the scholarship applications on our website. Why not take advantage of this opportunity and claim \$1,500 toward educational expenses? The deadline to apply is March 14.

You've worked hard to obtain your CPCU designation, and you are part of a distinguished group of individuals who have achieved this accomplishment. So what are you doing to spread the word about the value of the CPCU designation? By telling others about CPCU, we are increasing the visibility and value of the CPCU designation. The CPCU Society has a goal of telling 1,000,000 people about the CPCU designation by the end of 2008, and I'm happy to report we're already over half way toward reaching this goal. I'd like to hear from you about anything you've done to "spread the word" about the CPCU designation. I'd also like to know if you have any ideas our chapter can use to share the value of the CPCU designation within our local community. Please send your emails to [kseward@fbfs.com](mailto:kseward@fbfs.com).

You will recall from earlier Chaptergram issues that members of our board have been working with CPCUs in northern Iowa to form a sub-chapter. It gives me great pleasure to announce that our board formally approved the by-laws and formation of the North Central Iowa Sub-Chapter at our board meeting on December 12. We are extremely excited about the formation of this new sub-chapter, and we look forward to working with them to better meet the needs of our northern Iowa members. The North Central Iowa Sub-Chapter will hold their first meeting in January where National Governor Jim Jones will be speaking. Further information about this meeting is available in this issue of the Chaptergram.

Don't miss the Iowa Chapter's first meeting of the New Year on January 17 at the Wakonda Club. Our speaker for the meeting will be Jami Haberl from the Safeguard Iowa Partnership. Jami will be sharing information about the work Safeguard Iowa is performing in our state. I hope to see you there.

There has been a great deal of speculation in the news about the possibility of a recession this year. While I'm not a good predictor of economic trends, I can predict good things await Iowa CPCUs in 2008. Remember that education increases your value in any market and helps make you recession proof. If you haven't been an active CPCU member in the past, I hope you will get involved in your chapter meetings and educational events this year. My best wishes to you for a very happy and prosperous 2008!

Kevin M. Seward, CPCU, CSRP
